# When Love Is On The Line

(Paul B Allen III)

(1994)

Got to make you feel the things I do  
Got to make you see it  
Before it's just too late  
Nothing here is picture-perfect  
But Baby I still think it's worth it  
We're lost if we hesitate

We are not what people think they see  
Baby, we're just playing make believe  
It's time to take your head out of the sand  
Baby can't you see I'm trying  
It's time for you to stop denying  
And trying to say that everything is fine

When Love Is On The Line

Many nights I sat and cried  
Knowing in my heart I tried  
Giving up is hard to do  
Trying Baby – up to you

No one else could ever take your place  
Baby, don't you know that?  
Yes, I'm still in love  
Love should never feel this lonely  
As empty as a lock with no key  
Baby, let's get it straight

We are not what people think they see  
Baby, we're just playing make believe  
It's time to take your head out of the sand  
Baby, can't you see I'm trying  
It's time for you to stop denying  
And trying to say that everything is fine

When love is on the line...

# Still In Love With You

(Paul B Allen III)

(1994)

I keep your picture hanging on the wall  
Just to show me I'm a fool  
Baby I'm trying to say I'm sorry  
And I'm still in love with you

How could I ever let it come to this  
How could I doubt your love was true  
Baby I'm trying to show I'm sorry  
And I'm still in love with you

What does it take to make you change your mind  
How can I make you see it's me  
That's going to love you till the end of all time  
It's all up to you  
Please help me through

Baby, I want you to know for always  
I'm still in love with you

What does it take to make you change your mind  
How can I make you see it's me  
That's going to love you till the end of all time  
It's all up to you  
Please help me through

I keep your picture hanging on the wall  
Just to show me I'm your fool  
Baby I'm trying to say forever

I'm still in love with you.

# **Now I Know**

(Paul B Allen III / Paul B Allen IV)

(1991)

Baby, when I met you, I didn't know what to do  
You said I was cute but just too young for you  
So, I had to make things happen  
I knew it was a crime  
For you to look this good and not be mine

## **(Pre-Chorus)**

So, I've been waiting for such a long time  
Oh, now it's happening Baby, not only in my mind

## **(Chorus)**

And now and now and now and now I know  
Dreams come true  
Now I know  
Coz, I've got you.\

## **(Spoken Word)**

I called you half a dozen times each day  
I sent red roses, a plant no way  
I faxed you messages all the time that said  
Yo fine, you're on my mind  
And you started to dig me some  
You finally saw that I'm not too young  
With patience and plan love grows  
Now I know, I know.

# More And More

(Paul B Allen III / B. Corey Allen Sr./ E. Milo Allen Sr.)

(1977)

## (INTRO)

Girl, I want you more and more  
I never felt like this before  
Girl, I want you more and more and more

## (VERSE)

If I had a magic lantern  
Three wishes and a genie  
Every wish would be the same  
His job would be so easy

## (PRE-CHORUS)

I want, I want your love right now  
Not later but right now  
I want your love right now  
I want, I want to taste your kiss  
Discover all I've missed  
I want your love right now, right now

## (CHORUS)

Girl, I want you more and more  
I never felt like this before  
Girl, I want you more and more and more  
Girl, I want you more and more  
Love's knocking open up the door  
Girl, I want you more and more and more

## (VERSE)

If I found a leprechaun and  
That pot of gold he's hiding  
He'd grant what I'd ask and Baby  
There'd be no denying

## (PRE-CHORUS)

## (CHORUS REPEAT AND FADE)

# Oh

(Paul B Allen III)

(1976)

Oh  
Babe, don't you know that you have got me  
Coming and going  
Hey, hey

And Oh  
My mind is so wrapped up in you  
I know it's showing  
Showing Baby

Give me the chance to make love  
Shine  
Give me the chance to make you mine

And Oh  
I'll never ask for anything more  
Baby, please love me  
Love me

And give me the chance to make love  
Shine, shine, shine, shine  
Give me the chance to make you  
Girl, I've got to make you mine

**(INSTRUMENTAL BREAK AND SOLO – WALI ALI)**

Ooh, Oh yeah

Oh  
Oh  
Oh  
Oh  
Oh  
Oh  
Oh

(Paul B Allen III / Larry Hicks)

(2004)

## (VERBAL INTRODUCTION – LARRY HICKS)

### (CHORUS: REPEAT)

La-La-La-La-La

La-La-La

La

Sometimes they piss you off  
They really make you mad (Make you so mad)  
Sometimes they're on your last nerve  
You wanna cuss real bad (Wanna cuss real, wanna cuss real bad)

I got something you can do  
That's gonna blow their minds  
Just look at them and sing your song  
It's called Fudamu Prime  
Sing!

### (CHORUS: REPEAT)

Screw with their heads and just—Sing!

Next time they screw with you  
Don't punch them in the eye (Don't punch them in the eye)  
It's better to sing your song  
Don't let em blow your high (Don't let em blow your high)  
Sing!

### (CHORUS: REPEAT)

Sing!

Now what they gonna do with you?

Don't let em fake you  
Don't let em break you—sing your song  
Don't let em fake you  
Don't let em break you

Don't get mad  
(Do-Do-Do-Do-Do-Do)  
Just get even  
Don't get mad  
(Do-Do-Do-Do-Do-Do)  
Sing your song  
Don't get mad  
(Do-Do-Do-Do-Do-Do)  
Just get even  
Fudamu Prime them with this song  
(Do-Do-Do-Do-Do-Do—Wah)

**(CHORUS: REPEAT)**

Can you spell Fudamu Prime / You'll really blow their minds

**(CHORUS: REPEAT)**

Sing this little song / They'll figure out but you'll be gone.

Yeah, Fudamu Prime Baby—All you gotta do is spell

**(VERBAL OUTRO – LARRY HICKS)**

# Just One More Dance

(Paul B Allen III / Unknown)

(1976)

Dance  
One more  
Dance  
Dance  
One more  
Dance  
Dance  
One more  
Dance  
Dance  
One more—

You're a dancing fantasy  
You're poetry in motion  
And that dance I had with you just  
Wrapped up my emotions  
Just can't let you get away  
Somehow, I've got to show you  
Everything I feel inside  
I've got to get to know you

Just one more dance  
And ooh I might get to you  
Here's hoping, hoping I do  
Just one more dance  
And ooh, you might feel it too  
Here's hoping—  
I get to you

Dance  
Just one more dance Baby  
Dance  
Just one more dance Baby  
Dance  
Just one more  
Just one more—Dance  
Dance  
Dance  
Just one more dance

Dance

Just one more dance Baby

Dance

Just one more, just one more—Dance

Dance

Dance

Just one more dance...

# Where Do We Go From Here

(Paul B Allen III / Paul B Allen IV)

(1991)

Is it yes, or is it no  
Do we have a place to go from here  
It was curiosity  
that killed the cat  
Now Baby, it's killing me

## **(CHORUS)**

Tell me Baby—won't you, won't you  
Tell me Baby—please do, please do  
Tell me Baby—won't you, won't you  
Tell me Baby  
Where do we go from here  
Where do we go from here

911 Emergency  
I'd like to try to patch  
The you, and the me  
Back into we  
Relationships were made for just two  
And so, my love I leave it to you  
It's up to you to choose  
Between him and me

## **(CHORUS)**

## **(INSTRUMENTAL BREAK)**

Relationships were made for just two  
And so my love I leave it to you  
It's up to you to choose  
Between him and me

Tell me Baby  
Where do we go from here  
Tell me Baby  
Where do we go from here

Tell me Baby  
Tell me Baby...

## **Love Is Just A Word**

(Paul B Allen III / Frank Kavelin)

(1975)

The first sunlight chases the night  
I face the morning with no warning  
Then screaming inside my head  
Those awful words—alone without you

Semantically I turn the key  
Lock out sad me, lock in happy  
Yes, everything going fine  
It's great for me alone without you, I say

### **(CHORUS)**

Love Is Just A Word  
That people cling to  
Love Is Just A Word  
That foolish people say  
To get by each day  
Love Is Just A Word—without you.

Another time when there's no rhyme  
Or reason to be so unhappy  
Yes, everything's going fine except for me  
Alone without you, I say

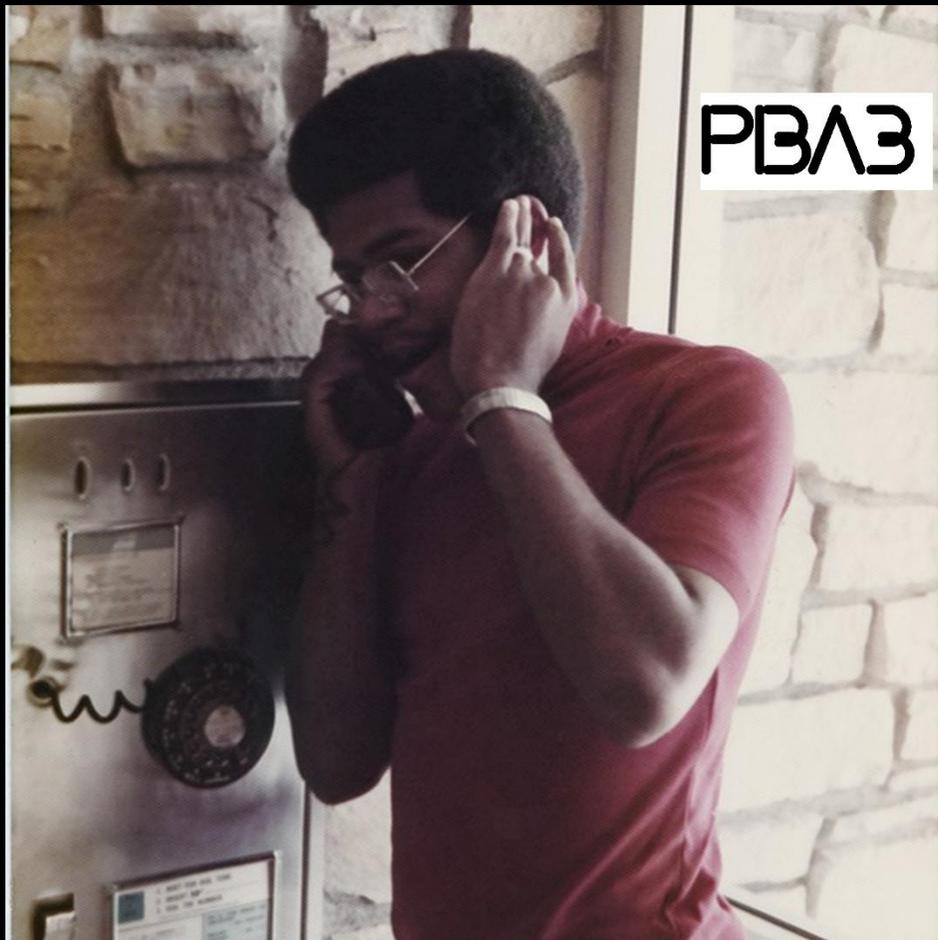

### **(CHORUS)**

### **(INSTRUMENTAL BREAK)**

Love Is Just A Word  
That foolish people say  
To get by each day  
Love Is Just A Word...

Love Is Just A Word that makes me cry
